CONVENTION NEWS

I don't know where the time goes, but it's almost time for the convention again. It seems like just last week I was unwrapping my Christmas present - a lump of coal. The convention promises to be an outstanding event this year. Remember, the location is different! The Hawaii Prince faces the Ala Wai harbor. Their air conditioning works and the carpets didn't smell like old gym socks. Barring any last minute additions, the following vendors will be displaying their latest and greatest wares Dunlop tires, Arai helmets, Silkolene oil, ICON street apparel, Thor off road gear, Kryptonite locks, and Gaerne boots. Remember that the vendor show **STARTS** at 4:30. These seven vendors have paid their own way here to attend our convention, not to mention their generous contributions for door prizes. If we want to continue to receive their support in the future, we have to make sure the trip is worth their while. Please encourage your employees to show up as early as possible. Brian and Norann will provide the night's entertainment. Instead of relying on local talent for stand up comedy, I have taken the bold, potentially risky route of booking an act from the mainland. Brian sent me a CD with his performance and I was very impressed. Stupendous magic, topical humor and the beautiful Norann will have you rolling in the aisles with her very, very funny hypnotist act. Make plans now to attend the HMDA convention on October 18th.

Remember, if you register early...

you can save \$5 per person.!

The next meeting of HMDA will be on
**Monday,
September 8
at 8:30 a.m.**
at the
**Airport Plaza
Hotel Coffee Shop.**

TREASURER'S REPORT

There is \$7,907.27 in the HMDA account, \$436 of that still belongs to HOA. With the speed that **Sam Bird** is moving on getting the HOA up and running, I expect this may be the last newsletter that makes mention of their money in the HMDA account. Sam is doing a remarkable job of getting the HOA organized. Read on.

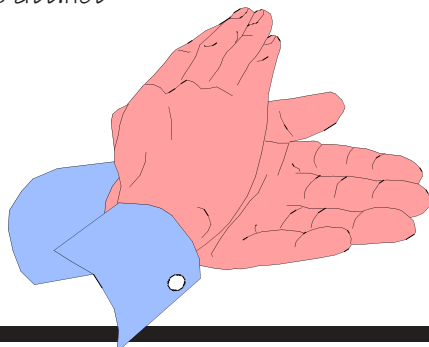

HOA

Sam Bird is the shot in the arm that HOA needed. Since the last meeting, he has registered the organization with the DCCA, picked an interim board of directors and all but completed the by-laws. Once the certificate comes back from the DCCA Sam can open a checking account and rent a post office on behalf of the HOA. The HMDA voted on and approved a motion to provide financial support to aid in the creation of the HOA. Board members for the HOA are as follows:

President	Sam Bird
Vice President	Brian Brinks
Secretary	Violet Ringor
Treasurer	Cynthia Clark

The HOA is a very worthwhile cause and needs the support of the dealers, especially in the early stages. If you have an avid dirt bike rider in your shop please have them get in touch with Sam at: 671-3737 or SamBird@att.net

HMDA ELECTIONS

As we approach the end of another year, it's time to starting thinking about the election of officers for the HMDA for 2004.

Chuck Rose has served two consecutive terms as President, I've been the Secretary, President, and Vice President, **Mark**

Morrison has held every position, some multiple times.... It's time to introduce some new officers into the HMDA mix. Please think about having someone from your store (preferably upper level management or dealer principle) serve a term of office. Meetings are once a month and last anywhere from 1 to 2 hours. The HMDA provides a very important service to the dealers, and we could certainly use your support.

**The Time Has Come!
JOIN UP NOW!**

Hawaii is a fantastic place for offroad riding, but access to riding areas is rapidly becoming more and more difficult. There are no legal trails anywhere in the state and only one state authorized motocross track and riding area. There is a large Federal allocation for Hawaii, to develop offroad trails, but it is untouched. The reason? There is no statewide group to push for it's use. There are also funds for the state DoT (based on offroad fuel taxes paid), that go to the state DLNR, but only a small portion is used for offroad vehicles. That small portion goes to the HMA, for the motocross track and riding area, which is great, but the rest goes to other types of trails (hikers, horses, etc.). To get these funds used for offroad riding, in Hawaii and get legal riding trails, we need to apply the pressure of numbers. How? Like every other state that has riding areas, we need a STATEWIDE OFFROAD ASSOCIATION!!

The Hawaii Motorcycle Dealers Association (HMDA) is providing funds and personnel to get this association started. However, this MUST be a rider association, so HMDA will in no way operate or be in control of this association. However, HMDA will provide any help it can, as requested by the association.

Please fill out the information below. If you wish to provide a donation make check made payable to the:

HAWAII OFFROAD ASSOCIATION
Mail to HMDA, P. O. Box 1813, Kailua, Hawaii 96734

**TO ESTABLISH A STATEWIDE OFFROAD ASSOCIATION,
WE NEED EVERYBODY TO SIGN UP, AND JOIN!! 1,000 RIDERS NEEDED NOW!**

Hawai'i Offroad Association
